Ice Miller Secure Payment Portal

Ice Miller is excited to offer our clients the ability to pay online via a secure payment portal. Ice Miller's preferred method of payment is via eCheck. Credit card payments are accepted with varying rates, around 3% surcharge for MC/Visa and 3.5% for American Express, which is not greater than our cost of acceptance.

We have upgraded our secure payment portal and will now be using Wells Fargo eBill Express. This transition provides enhanced security and a more streamlined payment process.

Please click the button below to set up your credentials on the new payment portal.
