Casie Towsley is part of Ice Miller's Real Estate, Environmental & Energy Law (REEL) Group providing legal counsel to clients regarding environmental, insurance, regulatory, and litigation matters.

Prior to joining Ice Miller, Casie was part of the litigation team at one of Indiana's oldest law firms. There, she counseled businesses and individuals with their legal needs in the realms of commercial litigation, insurance defense, premises liability, products liability, collections, and contract dispute matters.

She received her juris doctor from Notre Dame Law School, where she participated in the Women's Legal Forum, Legal Voices for Children and Youth, and worked in the Notre Dame Economic Justice Clinic.
