Kimberly Jeffers is a paralegal in Ice Miller's Litigation Group, assisting attorneys in the areas of complex commercial litigation. In her role, she provides assistance in all stages of litigation, including discovery and e-discovery, collection, review and production, as well as document and database management. Kimberly also assists throughout the litigation process, including preparing for depositions and hearings, trial and settlement.

Kimberly also works in the Environmental Practice as part of Ice Miller's Real Estate, Environmental & Energy Law (REEL), and assists clients in obtaining and renewing their alcohol beverage permits.
