Ray Seiler is an experienced real estate lawyer who represents individuals, small and midsize businesses, private equity firms, and financial institutions in all phases of commercial real estate leasing, acquisition, disposition, management, development, and financing.

Ray also assists skilled nursing and assisted living facility owners and operators with all aspects of acquisitions, divestitures, leases, and financing of long-term care facilities. In addition to his real estate knowledge, Ray also has significant experience representing mineral owners, as well as oil and gas exploration and production companies, in the negotiation of oil and gas leases and the analysis of mineral title issues. Ray uses his unique background to help clients confront and resolve complex real estate issues and help them achieve their goals.

Recognized for his professional achievements, Ray has been named as an Up and Coming lawyer for Health Care Law by *Chambers USA*.
