614 462 1021

Ryland A. Doerr is an associate in Ice Miller's Litigation practice group, helping clients with a variety of commercial disputes. He has experience representing individuals and both public and private entities in complex commercial litigation, regulatory and administrative proceedings, as well as construction and other business disputes. Ryland is adept at all stages of litigation from initial pleadings and discovery to motion practice and trial.

With individualized consideration, strategic planning, and clear communication, Ryland works with clients to solve problems. He understands the bottom line is his client's satisfaction and flexibly adapts to meet evolving goals. Prior to his law career, Ryland was a Noncommissioned Officer (NCO) in the United States Air Force.
